

Michael Nussa is USA Track & Field's Associate Director of High Performance Programs. In this role, Michael plans and implements programs for Team USATF's elite athletes and coaches. These programs include USATF's Talent Protection Program for elite immediate post-collegiate athletes, planning domestic and international competition, competition management for USATF's National Championships, serving as Technical Leader for international team events, and serving as USATF's liaison to the USOPC's Collegiate Partnerships Pathway Project.

Prior to joining USATF in 2018, Michael spent 5 years at Tulane University, most recently as the Associate Head Cross Country Coach and Assistant Track & Field Coach. He also earned his MBA during his time at Tulane. Michael completed his undergraduate work at Indiana University and is from Fort Wayne, IN.
